

Reaching Home Community Investment Report – Winnipeg, 2021

As Community Entity for Reaching Home since 2019, End Homelessness Winnipeg administers federal homelessness funding locally, to support vulnerable Winnipeggers in maintaining safe, stable, and affordable housing. From January to December 2021, End Homelessness Winnipeg, in consultation with Service Canada and the Community Advisory Board for Reaching Home, invested a total of more than \$18 million into the following community organizations and initiatives:
